EUROGRAPHICS ASSOCIATION
LICENCE TO PUBLISH

1. Non-exclusive Publishing Rights in respect of the contribution

   .... (manuscript title)

   are hereby assigned by

   .... (author)

   to the European Association for Computer Graphics ("Eurographics"). These non-exclusive rights shall have effect from the date of acceptance of the contribution for publication on the Digital Library of the Eurographics Association.

2. The rights include the making and sale of offprints of the contribution and the licensing of reprints or reproductions of the contribution in any form or media, without the necessity for reference to the author.

3. Eurographics acknowledges the right of the author to retain copyright in and to make use of the contribution without reference to any person and without payment of any fee.

4. The author also reserves the following:

   (a) All proprietary rights – including patent rights.
   (b) The right to grant or refuse permission to third parties to republish all or part of the contribution whether in the English language or translation thereof.
   (c) The right of reversion to the author of all conveyed publishing rights pertaining to him, upon the final going out of print of the contribution.

5. Acknowledgement should be given in the form

   © .... (authors)

6. In the event that the contribution has not been published within 6 months of the date upon which this agreement is signed, all rights shall revert to the author and this Licence to Publish shall be cancelled.
